what are the lyrics to the world's greatest by r. kelly MC

Here are the lyrics to The World's Greatest by R. Kelly:

I am a mountain
I am a tall tree
I am a swift wind
Sweepin' the country
I am a river
Down in the valley
I am a vision
And I can see clearly

If anybody ask u who I am
Just stand up tall, look 'em in the face and say
I'm that star up in the sky
I'm that mountain peak up high
Hey I made it
I'm the worlds greatest
And I'm that little bit of hope
When my back's against the ropes
I can feel it mmm
I'm the world's greatest

I am a giant
I am an eagle
I am a lion
Down in the jungle
I am a marchin' band
I am the people
I am a helpin' hand
I am a hero

If anybody ask u who I am
Just stand up tall, look 'em in the face and say
I'm that star up in the sky
I'm that mountain peak up high
Hey I made it
I'm the worlds greatest
And I'm that little bit of hope
When my back's against the ropes
I can feel it
I'm the world's greatest

In the ring of life I'll reign love and I'll fight
I can move a mountain, I can win the fight
I can move a mountain, I can win the fight
I can move a mountain, I can win the fight

I am a champion, I am a winner
I am strongest, I am the best
I'm the worlds greatest
And I'm that little bit of hope
When my back's against the ropes

\nWith eyes that know the darkness in my soul.\n\nShadows on the hills \nSketch the trees
and the daffodils \nCatch the breeze and the winter chills \nIn colors on the snowy linen
land.\n\nNow I understand \nWhat you tried to say to me \nAnd how you suffered for your
sanity \nAnd how you tried to set them free.\n\nThey would not listen \nThey did not know
how \nPerhaps they'll listen now.\n\nStarry, starry night \nFlaming flowers that brightly
blaze \nSwirling clouds in violet haze \nReflect in Vincent's eyes of china blue.\n\nColors
changing hue \nMorning fields of amber grain \nWeathered faces lined in pain \nAre soothed
beneath the artist's loving hand.\n\nNow I understand \nWhat you tried to say to me \nAnd
how you suffered for your sanity \nAnd how you tried to set them free. \n\nThey would not
listen \nThey did not know how\nPerhaps they'll listen now.\n\nFor they could not love you
\nBut still your love was true \nAnd when no hope was left inside \nOn that starry, starry
night\nYou took your life, as lovers often do.\n\nBut I could have told you Vincent \nThis
world was never meant \nFor one as beautiful as you.\n\nStarry, starry night \nPortraits
hung in empty halls \nFrameless heads on nameless walls \nWith eyes that watch the world and
can't forget.\n\nLike the stranger that you've met \nThe ragged men in ragged clothes \nA
silver thorn, a bloody rose \nLie crushed and broken on the virgin snow.\n\nNow I think I
know \nWhat you tried to say to me \nAnd how you suffered for your sanity\nAnd how you tried
to set them free.\n\nThey would not listen \nThey're not listening still \nPerhaps they
never will.",

what are the lyrics to awake my soul by mumford and sons

Here are the lyrics to the song "Awake My Soul" by Mumford & Sons:

Verse 1:
How fickle my heart and how woozy my eyes,
I struggle to find any truth in your lies.
And now my heart stumbles on things I don't know,
My weakness I feel I must finally show.

Chorus:
Lend me your hand and we'll conquer them all,
But lend me your heart and I'll just let you fall.
Lend me your eyes I can change what you see,
But your soul you must keep, totally free.

Verse 2:
Awake my soul, awake my soul,
Awake my soul,
You were made to meet your maker,
Awake my soul, awake my soul,
Awake my soul,
You were made to meet your maker.

Chorus:
Lend me your hand and we'll conquer them all,
But lend me your heart and I'll just let you fall.
Lend me your eyes I can change what you see,
But your soul you must keep, totally free.

Bridge:
In these bodies we will live, in these bodies we will die,
And where you invest your love, you invest your life.

Chorus:
Awake my soul, awake my soul, awake my soul,
You were made to meet your maker.
Awake my soul, awake my soul, awake my soul,
You were made to meet your maker.

Outro:
You were made to meet your maker,
You were made to meet your maker.

what are the lyrics to summer wine by nancy sinatra MC

The lyrics to Summer Wine by Nancy Sinatra are:

Strawberries, cherries and an angel's kiss in spring
My summer wine is really made from all these things

I walked in town on silver spurs that jingled to
A song that I had only sang to just a few

She saw my silver spurs and said let's pass some time
And I will give to you summer wine

Ohh-oh-oh summer wine

Strawberries, cherries and an angel's kiss in spring
My summer wine is really made from all these things

Take off your silver spurs and lie down here by me
With summer wine there are no silver spurs for me

The taste of summer wine is sweet as it can be
But for me the summer wine is you, my love, for me

Ohh-oh-oh summer wine

Strawberries, cherries and an angel's kiss in spring
My summer wine is really made from all these things

When I woke up the sun was shining in my eyes
My silver spurs were gone, my head felt twice its size

She took my silver spurs a souvenir to keep
And left me cravin' for more summer wine

Strawberries, cherries and an angel's kiss in spring
My summer wine is really made from all these things

Ohh-oh-oh summer wine
Ohh-oh-oh summer wine

what are the lyrics to hurricane by bob dylan

MC

Here are the lyrics to the song Hurricane by Bob Dylan:

Pistol shots ring out in the barroom night
Enter Patty Valentine from the upper hall.
She sees the bartender in a pool of blood,
Cries out, "My God, they've killed them all!"

Here comes the story of the Hurricane,
The man the authorities came to blame
For somethin' that he never done.
Put in a prison cell, but one time he could-a been
The champion of the world.

Three bodies lyin' there does Patty see
And another man named Bello, movin' around mysteriously.
"I didn't do it," he says, and he throws up his hands
"I was only robbin' the register, I hope you understand.
I saw them leavin'," he says, and he stops,
"One of us had better call up the cops."

And so Patty calls the cops and they arrive on the scene
With their red lights flashin' in the hot New Jersey night.
Meanwhile, far away in another part of town
Rubin Carter and a couple of friends are drivin' around.
Number one contender for the middleweight crown
Had no idea what kinda shit was about to go down

When a cop pulled him over to the side of the road
Just like the time before and the time before that.
In Paterson that's just the way things go.
If you're black you might as well not show up on the street
'Less you wanna draw the heat.

[Chorus]

what are the lyrics to vanilla twilight by owl city

MC

The lyrics to Vanilla Twilight by Owl City are:

The stars lean down to kiss you
And I lie awake and miss you
Pour me a heavy dose of atmosphere

'Cause I'll doze off safe and soundly
But I'll miss your arms around me
I'll send a postcard to you, dear
'Cause I wish you were here

I'll watch the night turn light-blue
But it's not the same without you
Because it takes two to whisper quietly

The silence isn't so bad
'Til I look at my hands and feel sad
'Cause the spaces between my fingers
Are right where yours fit perfectly

I'll find repose in new ways
Though I haven't slept in two days
'Cause cold nostalgia
Chills me to the bone

But drenched in vanilla twilight
I'll sit on the front porch all night
Waist-deep in thought because
When I think of you.

I don't feel so alone
I don't feel so alone

As many times as I blink
I'll think of you
Tonight

When violet eyes get brighter
And heavy wings grow lighter
I'll taste the sky and feel alive again

And I'll forget the world that I knew
But I swear I won't forget you
Oh, if my voice could reach
Back through the past

I'd whisper in your ear
Oh darling, I wish you were here

what are the lyrics to kid charlemagne by steely dan MC

Here are the lyrics to the song "Kid Charlemagne" by Steely Dan:

While the music played
You worked by candlelight
Those San Francisco nights
You were the best in town
Just by chance you crossed the diamond with the pearl
You turned it on the world
That's when you turned the world around

Did you feel like Jesus?
Did you realize
That you were a champion in their eyes?

On the hill the stuff was laced with kerosene
But yours was kitchen clean
Everyone stopped to stare at your Technicolor motor home

Every A-Frame had your number on the wall
You must have had it all
You'd go to L.A. on a dare and you'd go it alone

Could you live forever?
Could you see the day?
Could you feel your whole world fall apart and fade away?

Get along, get along Kid Charlemagne
Get along Kid Charlemagne
Now your patrons have all left you in the red
Your low rent friends are dead
This life can be very strange

All those dayglow freaks who used to paint the face
They've joined the human race
Some things will never change

Son you were mistaken
You are obsolete
Look at all the white men on the street

Get along, get along Kid Charlemagne
Get along Kid Charlemagne

what are the lyrics to i stand alone by godsmack

MC

The lyrics to the song 'I Stand Alone' by Godsmack are:

Now I've told you this once before,
can't control me
If you try to take me down you're gonna break
Now I feel your every nothing that you're doing for me
I'm picking you outta me you run away

I stand alone
Inside I stand alone
You're always hiding behind your so called goddess
So what you don't think that we can see your face
Resurrected back before the final fallen
I'll never rest until I can make my own way
I'm not afraid of fading
I stand alone
Feeling your sting down inside of me
I'm not dying for it
I stand alone
Everything that I believe is fading
I stand alone
Inside I stand alone

Now I've told you this once before
can't control me
If you try to take me down you're gonna break
Now I feel your every nothing that you're doing for me
I'm picking you outta me you run away

I stand alone
Inside I stand alone
You're always hiding behind your so called goddess

I stand alone
I stand alone
Inside I stand alone

what are the lyrics to white christmas by bing crosby

MC

The lyrics to the song 'White Christmas' by Bing Crosby are:

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten,
and children listen
To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be white

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten,
and children listen
To hear sleigh bells in the snow

May your days be merry and bright
And may all your Christmases be white

what are the lyrics to all along the watchtower by bob dylan MC

The lyrics to Bob Dylan's All Along the Watchtower are:

"There must be some way out of here,"
Said the joker to the thief,
"There's too much confusion,
I can't get no relief.
Businessmen, they drink my wine,
Plowmen dig my earth,
None of them along the line
Know what any of it is worth."

"No reason to get excited,"
The thief, he kindly spoke,
"There are many here among us
Who feel that life is but a joke.
But you and I, we've been through that,
And this is not our fate,
So let us not talk falsely now,
The hour is getting late."

All along the watchtower,
Princes kept the view
While all the women came and went,
Barefoot servants, too.

Outside in the distance
A wildcat did growl,
Two riders were approaching,
The wind began to howl.

All along the watchtower,
All along the watchtower.

what are the lyrics to i believe i can fly by r. kelly

MC

The lyrics to I Believe I Can Fly by R. Kelly are:

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away

I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

See I was on the verge of breaking down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me, oh

If I can see it, then I can be it
If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away

I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

Hey, because I believe in me, oh
If I can see it, then I can be it
If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away

I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

what are the lyrics to burn it down by linkin park MC

Here are the lyrics to the song "Burn It Down" by Linkin Park:

The cycle repeated
As explosions broke in the sky
All that I needed
Was the one thing I couldn't find

And you were there at the turn
Waiting to let me know

We're building it up
To break it back down
We're building it up
To burn it down
We can't wait
To burn it to the ground

The colors conflicted
As the flames climbed into the clouds
I wanted to fix this
But couldn't stop from tearing it down

And you were there at the turn
Caught in the burning glow

We're building it up
To break it back down
We're building it up
To burn it down
We can't wait
To burn it to the ground

You told me, "yes"
You held me high
And I believed when you told that lie
I played soldier, you played king
And struck me down, when I kissed that ring
You lost that right, to hold that crown
I built you up, but you let me down
So when you fall, I'll take my turn
And fan the flames
As your blazes burn

We're building it up
To break it back down
We're building it up
To burn it down
We can't wait
To burn it to the ground

When you fall, I'll take my turn
And fan the flames
As your blazes burn

what are the lyrics to rocky mountain way by joe walsh

MC

The lyrics to Rocky Mountain Way by Joe Walsh are:

Spent the last year
Rocky Mountain way
Couldn't get much higher
Out to pasture
Think it's safe to say
Time to open fire

And we don't need the ladies
Crying 'cause the story's sad
'Cause the Rocky Mountain way
Is better than the way we had

Well, he's tellin' us this
And he's tellin' us that
Changes it every day
Say's it doesn't matter
Bases are loaded and Casey's at bat
Playin' it play by play

Time to change the batter
And we don't need the ladies
Crying 'cause the story's sad
Rocky Mountain way
Is better than the way we had

Spending my days
Rocky Mountain way
Couldn't get much higher
Going down, going down
Like a mountain of fools
Rolling like a river

Changes on the menu
And we don't need the ladies
Crying 'cause the story's sad
'Cause the Rocky Mountain way
Is better than the way we had

'Cause the Rocky Mountain way
Is better than the way we had
Yes, the Rocky Mountain way
Is better than the way we had

what are the lyrics to inbetween days by the cure

MC

The lyrics to Inbetween Days by The Cure are:

Yesterday I got so old
I felt like I could die
Yesterday I got so old
It made me want to cry
Go on, go on
Just walk away
Go on, go on
Your choice is made
Go on, go on
And disappear
Go on, go on
Away from here

And I'm not sure what I'm supposed to do
Stuck in the middle with you
Stuck in the middle with you
Stuck in the middle with you

Yesterday I got so scared
I shivered like a child
Yesterday away from you
It froze me deep inside
Come back, come back
Don't walk away
Come back, come back
Come back today
Come back, come back
Why can't you see
Come back, come back
Come back to me

And I'm not sure what I'm supposed to do
Stuck in the middle with you
Stuck in the middle with you
Stuck in the middle with you
Stuck in the middle with you

Fate\":\n\nThey sat together in the park \nAs the evening sky grew dark, \nShe looked at him
and he felt a spark tingle to his bones. \n'Twas then he felt alone and wished that he'd
gone straight \nAnd watched out for a simple twist of fate.\n\nThey walked along by the old
canal \nA little confused, I remember well \nAnd stopped into a strange hotel with the neon
burnin' bright.\nHe felt the heat of the night hit him like a freight train \nMoving with a
simple twist of fate.\n\nA saxophone someplace far off played, \nAs she was walkin' by the
arcade. \nAs the light bust through a beat-up shade where he was wakin' up,\nShe dropped a
coin into the cup of a blind man at the gate \nAnd forgot about a simple twist of
fate.\n\nHe woke up, the room was bare, \nHe didn't see her anywhere. \nHe told himself he
didn't care, pushed the window open wide,\nFelt an emptiness inside to which he just could
not relate \nBrought on by a simple twist of fate.\n\nHe hears the ticking of the clocks
\nAnd walks along with a parrot that talks, \nHunts her down by the waterfront docks where
the sailors all come in. \nMaybe she'll pick him out again, how long must he wait \nOnce
more for a simple twist of fate.\n\nPeople tell me it's a sin \nTo know and feel too much
within. \nI still believe she was my twin, but I lost the ring. \nShe was born in spring,
but I was born too late \nBlame it on a simple twist of fate.",

what are the lyrics to for the good times by kris kristofferson MC

The lyrics to For The Good Times by Kris Kristofferson are:

Don't look so sad, I know it's over
But life goes on, and this old world
Will keep on turning
Let's just be glad we had some time to spend together
There's no need to watch the bridges
That we're burning

Lay your head upon my pillow
Hold your warm and tender body
Close to mine
Hear the whisper of the raindrops
Blowing soft against the window
And make believe you love me
One more time

For the good times
For the good times
For the good times

I'll get along, you'll find another
And I'll be here if you should find you
Ever need me
Don't say a word about tomorrow
Or forever
There'll be time enough for sadness
When you leave me

Lay your head upon my pillow
Hold your warm and tender body

Close to mine
Hear the whisper of the raindrops
Blowing soft against the window

And make believe you love me
One more time

For the good times
For the good times
For the good times

For the good times

what are the lyrics to red, red wine by neil diamond MC

The lyrics to Neil Diamond's 'Red Red Wine' are:

Red red wine,
Goes to my head,
Makes me forget that I,
Still need her so.

Red red wine,
It's up to you,
All I can do, I've done.
But mem'ries won't go,
Mem'ries won't go.

I'd have thought,
That with time,
Thoughts of her,
Would leave my head.
I was wrong,
And I find,
Just one thing makes me forget.

Red red wine,
Stay close to me,
Don't let me be alone,
It's tearin' apart,
My blue, blue heart.

Red red wine,
You make me feel so fine,
You keep me rockin'
All of the time.

Red red wine,
You make me feel so grand,
Red red wine,
You're always on my mind.

Red red wine,
Goes to my head,
Makes me forget that I,
Still need him so.

Red red wine,
It's up to you,
All I can do, I've done,
But mem'ries won't go.
No, mem'ries won't go.

I'd have thought,
That with time,
Thoughts of him,
Would leave my head.
I was wrong,
And I find,

what are the lyrics to wichita lineman by glen campbell

MC

The lyrics to Wichita Lineman by Glen Campbell are:

I am a lineman for the county
And I drive the main road
Searchin' in the sun for another overload

I hear you singin' in the wire
I can hear you through the whine
And the Wichita Lineman
Is still on the line

I know I need a small vacation
But it don't look like rain
And if it snows that stretch down south
Won't ever stand the strain

And I need you more than want you
And I want you for all time
And the Wichita Lineman
Is still on the line

And I need you more than want you
And I want you for all time
And the Wichita Lineman
Is still on the line

flesh and steel are one \nDrying in the color of the evening sun\nTomorrow's rain will wash
the stains away\nBut something in our minds will always stay\n\nPerhaps this final act was
meant \nTo clinch a lifetime's argument \nThat nothing comes from violence and nothing ever
could \nFor all those born beneath an angry star \nLest we forget how fragile we are\n\n0n
and on the rain will fall \nLike tears from a star \nLike tears from a star \n0n and on the
rain will say \nHow fragile we are \nHow fragile we are \n\n0n and on the rain will fall
\nLike tears from a star \nLike tears from a star \n0n and on the rain will say \nHow
fragile we are \nHow fragile we are\nHow fragile we are\nHow fragile we are",

what are the lyrics to we got the beat by go-go's MC

Here are the lyrics to "We Got the Beat" by The Go-Go's:

See the people walking down the street
Fall in line just watching all their feet
They don't know where they wanna go
But they're walking in time

They got the beat
They got the beat
They got the beat
Yeah, they got the beat

All the kids just getting out of school
They can't wait to break the rules
They're running loose, running wild

They got the beat
They got the beat
Kids got the beat
Yeah, kids got the beat

Go-go music really makes us dance
Do the pony puts us in a trance
Do the watusi just give us a chance

That's when we fall in line
'Cause we got the beat
We got the beat
We got the beat
We got the beat, yeah

We got the beat

what are the lyrics to don't stand so close to me by the police MC

Here are the lyrics to "Don't Stand So Close to Me" by The Police:

Young teacher, the subject
Of schoolgirl fantasy
She wants him so badly
Knows what she wants to be
Inside her there's longing
This girl's an open page
Book marking - she's so close now
This girl is half his age

Don't stand, don't stand so
Don't stand so close to me
Don't stand, don't stand so
Don't stand so close to me

Her friends are so jealous
You know how bad girls get
Sometimes it's not so easy
To be the teacher's pet
Temptation, frustration
So bad it makes him cry
Wet bus stop, she's waiting
His car is warm and dry

Don't stand, don't stand so
Don't stand so close to me
Don't stand, don't stand so

Don't stand so close to me

Loose talk in the classroom
To hurt they try and try
Strong words in the staffroom
The accusations fly
It's no use, he sees her
He starts to shake and cough
Just like the old man in
That book by Nabokov

Don't stand, don't stand so
Don't stand so close to me
Don't stand, don't stand so
Don't stand so close to me

what are the lyrics to i get around by the beach boys

MC

The lyrics to 'I Get Around' by The Beach Boys are:

Round round get around
I get around
Yeah
Get around round round I get around
I'm gettin' bugged driving up and down this same old strip
I gotta find a new place where the kids are hip
My buddies and me are getting real well known
Yeah, the bad guys know us and they leave us alone

I get around
Get around round round I get around
I'm a real cool head
Get around round round I get around
I'm making real good bread

I'm getting bugged driving up and down the same old strip
I gotta find a new place where the kids are hip
My buddies and me are getting real well known
Yeah, the bad guys know us and they leave us alone

I get around
Get around round round I get around
I'm a real cool head
Get around round round I get around
I'm making real good bread

Round round get around
I get around
Yeah
Get around round round I get around

Wah-oo, honey yeah!

Round round get around
I get around
Yeah
Get around round round I get around

That's the classic Beach Boys song with its iconic lyrics all about being popular, hip and in the scene.

what are the lyrics to castle of glass by linkin park MC

The lyrics to Castle of Glass by Linkin Park are:

Take me down to the river bend,
Take me down to the fighting end
Wash the poison from off my skin
Show me how to be whole again

Fly me up on a silver wing,
Past the black where the sirens sing
Warm me up in a nova's glow
And drop me down to the dream below

'Cause I'm only a crack in this castle of glass
Hardly anything there for you to see
For you to see

Bring me home in a blinding dream,
Through the secrets that I have seen
Wash the sorrow from off my skin
And show me how to be whole again

'Cause I'm only a crack in this castle of glass
Hardly anything there for you to see
For you to see

'Cause I'm only a crack in this castle of glass
Hardly anything else I need to be
'Cause I'm only a crack in this castle of glass
Hardly anything there for you to see

For you to see
For you to see

what are the lyrics to the boys are back in town by thin lizzy

MC

The lyrics to The Boys Are Back In Town by Thin Lizzy are:

Guess who just got back today?
Them wild-eyed boys that had been away
Haven't changed that much to say
But man, I still think them cats are crazy

They were askin' if you were around
How you was, where you could be found
Told them you were livin' downtown
Drivin' all the old men crazy

The boys are back in town
(The boys are back in town)
The boys are back in town
(The boys are back in town again)

You know that chick that used to dance a lot
Every night she'd be on the floor, shakin' what she'd got
Man when I tell you she was cool, she was red hot
I mean she was steamin'
And that time over at Johnny's place
Well this chick got up and she slapped Johnny's face
Man we just fell about the place
If that chick don't want to know, forget her

The boys are back in town
(The boys are back in town)
The boys are back in town
(The boys are back in town again)

Spread the word around
Guess who's back in town
You spread the word around

Friday night they'll be dressed to kill
Down at Dino's bar and grill
The drink will flow and blood will spill
And if the boys want to fight, you'd better let them
That jukebox in the corner blastin' out my favorite song
The nights are getting warmer, it won't be long
It won't be long till the summer comes
Now that the boys are here again

The boys are back in town
(The boys are back in town)
The boys are back in town
(The boys are back in town again)
The boys are back in town
(The boys are back in town)
The boys are back in town
(The boys are back in town again)

what are the lyrics to help me rhonda by the beach boys

MC

Here are the lyrics to 'Help Me Rhonda' by The Beach Boys:

Well since she put me down
I've been out doin' in my head
Come in late at night
And in the mornin' I just lay in bed

Well Rhonda you look so fine
And I know it wouldn't take much time
For you to help me Rhonda
Help me get her out of my heart

Help me Rhonda, help help me Rhonda
Help me Rhonda, help help me Rhonda
Help me Rhonda, help help me Rhonda
Help me Rhonda, help help me Rhonda

Rhonda you caught my eye
And I can give you lots of reasons why
You gotta help me Rhonda
Help me get her out of my heart

Help me Rhonda, help help me Rhonda
Help me Rhonda, help help me Rhonda
Help me Rhonda, help help me Rhonda
Help me Rhonda, help help me Rhonda

I've done everything I could
To get the girl to change her mind
I even told her lies
And I made her blue
But she still said to me goodbye
Rhonda you're my last and only chance
And if you don't come through

I just don't know what I'm gonna do

Help me Rhonda, help help me Rhonda
Help me Rhonda, help help me Rhonda
Help me Rhonda, help help me Rhonda
Help me Rhonda, help help me Rhonda
Help me Rhonda, help help me Rhonda.....

what are the lyrics to king of pain by the police

MC

The lyrics to 'King of Pain' by The Police are:

There's a little black spot on the sun today
It's the same old thing as yesterday
There's a black hat caught in a high tree top
There's a flag pole rag and the wind won't stop

I have stood here before inside the pouring rain
With the world turning circles running 'round my brain
I guess I'm always hoping that you'll end this reign
But it's my destiny to be the king of pain

There's a fossil that's trapped in a high cliff wall
There's a dead salmon frozen in a waterfall
There's a blue whale beached by a springtide's ebb
There's a butterfly trapped in a spider's web

I have stood here before inside the pouring rain
With the world turning circles running 'round my brain
I guess I'm always hoping that you'll end this reign
But it's my destiny to be the king of pain

There's a king on a throne with his eyes torn out
There's a blind man looking for a shadow of doubt
There's a rich man sleeping on a golden bed
There's a skeleton choking on a crust of bread

I have stood here before inside the pouring rain
With the world turning circles running 'round my brain
I guess I'm always hoping that you'll end this reign
But it's my destiny to be the king of pain
King of pain, king of pain, king of pain

I'll always be king of pain,
I'll always be king of pain,
I'll always be king of pain

what are the lyrics to little deuce coupe by the beach boys

MC

Here are the lyrics to Little Deuce Coupe by The Beach Boys:

Little deuce coupe
You don't know what I got
Little deuce coupe
You don't know what I got

Well I'm not braggin' babe so don't put me down
But I've got the fastest set of wheels in town
When something comes up to me he don't even try
'Cause if I had a set of wings man I know she could fly

She's my little deuce coupe
You don't know what I got
(My little deuce coupe)
(You don't know what I got)

Just a little deuce coupe with a flat head mill
But she'll walk a Thunderbird like she's standin' still
She's ported and relieved and she's stroked and bored.
She'll do a hundred and forty with the top end floored

She's my little deuce coupe
You don't know what I got
(My little deuce coupe)
(You don't know what I got)

She's got a competition clutch with the four on the floor
And she purrs like a kitten till the lake pipes roar
And if that ain't enough to make you flip your lid
There's one more thing, I got the pink slip daddy
And comin' off the line when the light turns green
Well she blows 'em outta the water like you never seen

She's my little deuce coupe
You don't know what I got

(My little deuce coupe)
(You don't know what I got)

what are the lyrics to you can get it if you really want by desmond dekker and the aces

The lyrics to 'You Can Get It If You Really Want' by Desmond Dekker and the Aces are:

You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last

Persecution you must bear
Win or lose you'll get your share
Trials and tribulations are what we have to fear
But we'll surmount them all

You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last

Rome was not built in a day
Opposition will come your way
But the harder the battle you see
It's the sweeter the victory

You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last

You can get it if you really want
You can get it if you really want
You can get it if you really want
Try and try, try and try, try and try
You'll succeed at last

what are the lyrics to poison by groove coverage

MC

Here are the lyrics to the song Poison by Groove Coverage:

Verse 1:
Your cruel device,
Your blood like ice.
One look could kill,
My pain, your thrill.

Chorus:
I wanna love you but I better not touch
I wanna hold you but my senses tell me to stop
I wanna kiss you but I want it too much
I wanna taste you but your lips are venomous poison
You're poison running through my veins
You're poison, I don't wanna break these chains

Verse 2:
Your mouth, so hot
Your web, I'm caught
Your skin, so wet
Black lace on sweat

(Repeat Chorus)

Bridge:
I hear you calling and it's needles and pins
I wanna hurt you just to hear you screaming my name
Don't wanna touch you but you're under my skin
I wanna kiss you but your lips are venomous poison

(Repeat Chorus)

Outro:
Running deep inside my veins,
Poison burning deep inside my veins,
One look could kill,
My pain, your thrill.
I wanna love you but I better not touch
I wanna hold you but my senses tell me to stop
I wanna kiss you but I want it too much
I wanna taste you but your lips are venomous poison,
You're poison, I'm addicted to your poison

what are the lyrics to new divide by linkin park

MC

The lyrics to New Divide by Linkin Park are:

I remembered black skies, the lightning all around me
I remembered each flash as time began to blur
Like a startling sign that fate had finally found me
And your voice was all I heard that I get what I deserve

So give me reason to prove me wrong, to wash this memory clean
Let the floods cross the distance in your eyes
Give me reason to fill this hole, connect the space between
Let it be enough to reach the truth that lies
Across this new divide

There was nothing in sight but memories left abandoned
There was nowhere to hide, the ashes fell like snow
And the ground caved in between where we were standing
And your voice was all I heard that I get what I deserve

So give me reason to prove me wrong, to wash this memory clean
Let the floods cross the distance in your eyes
Across this new divide

In every loss, in every lie, in every truth that you'd deny
And each regret and each goodbye was a mistake too great to hide
And your voice was all I heard that I get what I deserve

So give me reason to prove me wrong, to wash this memory clean
Let the floods cross the distance in your eyes
Give me reason to fill this hole, connect the space between
Let it be enough to reach the truth that lies across this new divide
Across this new divide, across this new divide

what are the lyrics to simple man by lynyrd skynyrd MC

The lyrics to Simple Man by Lynyrd Skynyrd are:

Mama told me when I was young
Come sit beside me, my only son
And listen closely to what I say.
And if you do this it'll help you some sunny day.
Oh, take your time... Don't live too fast,
Troubles will come and they will pass.
Go find a woman and you'll find love,
And don't forget son,
There is someone up above.

[Chorus]
And be a simple kind of man.
Be something you love and understand.
Baby, be a simple kind of man.
Oh, won't you do this for me, son,
If you can?

Forget your lust for the rich man's gold
All that you need is in your soul,
And you can do this if you try.
All that I want for you my son,
Is to be satisfied.

[Chorus]
Boy, don't you worry... you'll find yourself.
Follow your heart and nothing else.
And you can do this if you try.
All I want for you my son,
Is to be satisfied.

[Chorus]
Baby, be a simple kind of man
Be something you love and understand
Baby, be a simple kind of man

what are the lyrics to song sung blue by neil diamond

MC

The lyrics to 'Song Sung Blue' by Neil Diamond are:

Song sung blue, everybody knows one
Song sung blue, every garden grows one

Me and you are subject to the blues now and then
But when you take the blues and make a song
You sing 'em out again
Sing 'em out again

Song sung blue
Weeping like a willow
Song sung blue
Sleeping on my pillow

Funny thing, but you can sing it with a cry in your voice
And before you know, start to feeling good
You simply got no choice

Song sung blue
Everybody knows one
Song sung blue
Every garden grows one

Me and you are subject to the blues now and then
But when you take the blues and make a song
You sing 'em out again
Sing 'em out again

Song sung blue
Weeping like a willow
Song sung blue
Sleeping on my pillow

Song sung blue
Everybody knows one

what are the lyrics to the catalyst by linkin park MC

Here are the lyrics to the song The Catalyst by Linkin Park:

God bless us everyone,
We're a broken people living under loaded gun.
And it can't be outfought,
It can't be outdone,
It can't outmatched,
It can't be outrun.

No!

God bless us everyone,
We're a broken people living under loaded gun.

Oh!
Like memories in cold decay,
Transmissions echoing away,
Far from the world of you and I
Where oceans bleed into the sky.

God save us everyone,
Will we burn inside the fires of a thousand suns?
For the sins of our hands,
The sins of our tongues,
The sins of our fathers,
The sins of our young.

No!

God save us everyone,
Will we burn inside the fires of a thousand suns?

Oh!
Like memories in cold decay,
Transmissions echoing away,
Far from the world of you and IWhere oceans bleed into the sky.

Lift me up,
Let me go.

God bless us everyone.
We're a broken people living under loaded gun.
And it can't be outfought,
It can't be outdone,
It can't outmatched,
It can't be outrun.

No!

God bless us everyone.
We're a broken people living under loaded gun.

Oh!

what are the lyrics to not dark yet by bob dylan

MC

The lyrics to Bob Dylan's song "Not Dark Yet" are:

Shadows are falling and I've been here all day
It's too hot to sleep and time is running away
Feel like my soul has turned into steel
I've still got the scars that the sun didn't heal

There's not even room enough to be anywhere
It's not dark yet, but it's getting there

Well, my sense of humanity has gone down the drain
Behind every beautiful thing there's been some kind of pain
She wrote me a letter and she wrote it so kind
She put down in writing what was in her mind

I just don't see why I should even care
It's not dark yet, but it's getting there

Well, I've been to London and I've been to gay Paree
I've followed the river and I got to the sea
I've been down on the bottom of a world full of lies
I ain't looking for nothing in anyone's eyes

Sometimes my burden seems more than I can bear
It's not dark yet, but it's getting there

I was born here and I'll die here against my will
I know it looks like I'm moving, but I'm standing still
Every nerve in my body is so vacant and numb
I can't even remember what it was I came here to get away from

Don't even hear a murmur of a prayer
It's not dark yet, but it's getting there

what are the lyrics to open your eyes by snow patrol

MC

Here are the lyrics to the song 'Open Your Eyes' by Snow Patrol:

All this feels strange and untrue
And I won't waste a minute without you
My bones ache, my skin feels cold
And I'm getting so tired and so old

The anger swells in my guts
And I won't feel these slices and cuts
I want so much to open your eyes
Cos I need you to look into mine

Tell me that you'll open your eyes
Tell me that you'll open your eyes
Tell me that you'll open your eyes
Tell me that you'll open your eyes

Get up, get out, get away from these liars
Cos they don't get your soul or your fire
Take my hand, knot your fingers through mine
And we'll walk from this dark room for the last time

Every minute from this minute now
We can do what we like anywhere
I want so much to open your eyes
Cos I need you to look into mine

Tell me that you'll open your eyes
Tell me that you'll open your eyes
Tell me that you'll open your eyes
Tell me that you'll open your eyes

All this feels strange and untrue
And I won't waste a minute without you

what are the lyrics to house at pooh corner by loggins and messina

MC

Here are the lyrics to House at Pooh Corner by Loggins and Messina:

Christopher Robin and I walked along
Under branches lit up by the moon
Posing our questions to Owl and Eeyore
As our days disappeared all too soon

But I've wandered much further today than I should
And I can't seem to find my way back to the Wood
So help me if you can, I've got to get
To the House at Pooh Corner by one

You'd be surprised, there's so much to be done
Count all the bees in the hive
Chase all the clouds from the sky
Back to the days of Christopher Robin and Pooh

Willy nilly silly old bear

what are the lyrics to blowin' in the wind by bob dylan

MC

Here are the lyrics to the song 'Blowin' in the Wind' by Bob Dylan:

How many roads must a man walk down
Before you call him a man?
How many seas must a white dove sail
Before she sleeps in the sand?
Yes, 'n' how many times must the cannon balls fly
Before they're forever banned?
The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind.

How many years can a mountain exist
Before it's washed to the sea?
Yes, 'n' how many years can some people exist
Before they're allowed to be free?
Yes, 'n' how many times can a man turn his head
And pretend that he just doesn't see?
The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind.

How many times must a man look up
Before he can see the sky?
Yes, 'n' how many ears must one have
Before he can hear people cry?
Yes, 'n' how many deaths will it take till he knows
That too many people have died?
The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind.

what are the lyrics to cosmic love by florence and the machine MC

The lyrics to Cosmic Love by Florence and the Machine are:

A falling star fell from your heart
And landed in my eyes
I screamed aloud, as it tore through them,
And now it's left me blind

The stars, the moon, they have all been blown out
You left me in the dark
No dawn, no day, I'm always in this twilight
In the shadow of your heart

And in the dark, I can hear your heartbeat
I tried to find the sound
But then it stopped, and I was in the darkness,
So darkness I became

The stars, the moon, they have all been blown out
You left me in the dark
No dawn, no day, I'm always in this twilight
In the shadow of your heart

I took the stars from my eyes, and then I made a map
And knew that somehow I could find my way back
Then I heard your heart beating, you were in the darkness too
So I stayed in the darkness with you

The stars, the moon, they have all been blown out
You left me in the dark
No dawn, no day, I'm always in this twilight
In the shadow of your heart

The stars, the moon, they have all been blown out
You left me in the dark
No dawn, no day, I'm always in this twilight
In the shadow of your heart

what are the lyrics to fresh prince of bel-air by will smith MC

Here are the lyrics to the Fresh Prince of Bel-Air theme song by Will Smith:

Now, this is a story all about how
My life got flipped-turned upside down
And I'd like to take a minute
Just sit right there
I'll tell you how I became the prince of a town called Bel Air

In west Philadelphia born and raised
On the playground was where I spent most of my days
Chillin' out maxin' relaxin' all cool
And all shootin some b-ball outside of the school
When a couple of guys who were up to no good
Started making trouble in my neighborhood
I got in one little fight and my mom got scared
She said 'You're movin' with your auntie and uncle in Bel Air'

I begged and pleaded with her day after day
But she packed my suit case and sent me on my way
She gave me a kiss and then she gave me my ticket.
I put my Walkman on and said, 'I might as well kick it'.

First class, yo this is bad
Drinking orange juice out of a champagne glass.
Is this what the people of Bel-Air living like?
Hmmmmm this might be alright.

But wait I hear they're prissy, bourgeois, all that
Is this the type of place that they just send this cool cat?
I don't think so
I'll see when I get there
I hope they're prepared for the prince of Bel-Air

Well, the plane landed and when I came out
There was a dude who looked like a cop standing there with my name out
I ain't trying to get arrested yet
I just got here
I sprang with the quickness like lightning, disappeared

I whistled for a cab and when it came near
The license plate said fresh and it had dice in the mirror
If anything I could say that this cab was rare
But I thought 'Nah, forget it' - 'Yo, homes to Bel Air'

I pulled up to the house about seven or eighth
And I yelled to the cabbie 'Yo homes smell ya later'
I looked at my kingdom
I was finally there
To sit on my throne as the Prince of Bel Air

what are the lyrics to your guardian angel by the red jumpsuit apparatus MC

Here are the lyrics to "Your Guardian Angel" by The Red Jumpsuit Apparatus:

When I see your smile
Tears roll down my face I can't replace
And now that I'm strong I have figured out
How this world turns cold and it breaks through my soul
And I know I'll find deep inside me I can be the one

I will never let you fall
I'll stand up for you forever
I'll be there for you through it all
Even if saving you sends me to heaven

It's okay. It's okay. It's okay.
Seasons are changing
And waves are crashing
And stars are falling all for us
Days grow longer and nights grow shorter
I can show you I'll be the one

I will never let you fall
I'll stand up for you forever
I'll be there for you through it all
Even if saving you sends me to heaven

Cause you're my, you're my, my, my true love, my whole heart
Please don't throw that away
Cause I'm here for you
Please don't walk away and
Please tell me you'll stay, stay

Use me as you will
Pull my strings just for a thrill
And I know I'll be okay
Though my skies are turning gray

I will never let you fall
I'll stand up for you forever
I'll be there for you through it all
Even if saving you sends me to heaven

what are the lyrics to all i really want to do by bob dylan

MC

The lyrics to Bob Dylan's song "All I Really Want to Do" are:

I ain't lookin' to compete with you
Beat or cheat or mistreat you
Simplify you, classify you
Deny, defy or crucify you
All I really want to do
Is, baby, be friends with you

No, and I ain't lookin' to fight with you
Frighten you or lighten up your night time
Might not be right time
I ain't lookin' to block you up
Shock or knock or lock you up
Analyze you, categorize you
Finalize you or advertise you
All I really want to do
Is, baby, be friends with you

I don't want to straight-face you
Race or chase you, track or trace you
Or disgrace you or displace you
Or define you or confine you
All I really want to do
Is, baby, be friends with you

I don't want to meet your kin
Make you spin or do you in
Or select you or dissect you
Or inspect you or reject you
All I really want to do
Is, baby, be friends with you.

what are the lyrics to somewhere i belong by linkin park MC

Here are the lyrics to "Somewhere I Belong" by Linkin Park:

When this began
I had nothing to say
And I get lost in the nothingness inside of me
I was confused
And I let it all out to find / That I'm not the only person with these things in mind

Inside of me
But all the vacancy the words revealed
Is the only real thing that I've got left to feel
Nothing to lose
Just stuck, hollow and alone
And the fault is my own and the fault is my own

I wanna heal, I wanna feel what I thought was never real
I wanna let go of the pain I've felt so long
Erase all the pain till it's gone
I wanna heal, I wanna feel like I'm close to something real
I wanna find something I've wanted all along
Somewhere I belong

And I've got nothing to say
I can't believe I didn't fall right down on my face
I was confused
Looking everywhere only to find
That it's not the way I had imagined it all in my mind

So what am I
What do I have but negativity
Cause I cant justify the way, everyone is looking at me
Nothing to lose
Nothing to gain, hollow and alone
And the fault is my own and the fault is my own

I wanna heal, I wanna feel what I thought was never real
I wanna let go of the pain I've felt so long
Erase all the pain till it's gone
I wanna heal, I wanna feel like I'm close to something real
I wanna find something I've wanted all along
Somewhere I belong

I will never know myself
until I do this on my own
And I will never feel
until I let go of it all
So I let go

I wanna heal, I wanna feel like I'm close to something real
I wanna find something I've wanted all along
Somewhere I belong

what are the lyrics to crawling by linkin park MC

Here are the lyrics to the song Crawling by Linkin Park:

Crawling in my skin
These wounds they will not heal
Fear is how I fall
Confusing what is real

There's something inside me
That pulls beneath the surface
Consuming, confusing
This lack of self-control I fear
Is never ending, controlling

I can't seem to find myself again
My walls are closing in
(Without a sense of confidence)
(I'm convinced that there's)
(Just too much pressure to take)

I've felt this way before
So insecure
Crawling in my skin
These wounds they will not heal
Fear is how I fall
Confusing what is real

Discomfort, endlessly has pulled itself upon me
Distracting, reacting
Against my will I stand beside my own reflection
It's haunting how I can't seem

To find myself again
My walls are closing in
(Without a sense of confidence)
(I'm convinced that there's)
(Just too much pressure to take)

I've felt this way before
So insecure
Crawling in my skin
These wounds they will not heal
Fear is how I fall
Confusing, confusing what is real

There's something inside me
That pulls beneath the surface
Consuming, confusing what is real
This lack of self-control I fear
Is never ending, controlling
Confusing what is real

what are the lyrics to fix you by coldplay MC

Here are the lyrics to the song 'Fix You' by Coldplay:

When you try your best, but you don't succeed
When you get what you want, but not what you need
When you feel so tired, but you can't sleep
Stuck in reverse

And the tears come streaming down your face
When you lose something you can't replace
When you love someone, but it goes to waste
Could it be worse?

Lights will guide you home
And ignite your bones
And I will try to fix you

And high up above or down below
When you're too in love to let it go
But if you never try you'll never know
Just what you're worth

Lights will guide you home
And ignite your bones
And I will try to fix you

Tears stream down your face
When you lose something you cannot replace
Tears stream down your face and I...

Tears stream down your face
I promise you I will learn from my mistakes
Tears stream down your face and I...

Lights will guide you home
And ignite your bones
And I will try to fix you

what are the lyrics to in my place by coldplay

MC

The lyrics to the song In My Place by Coldplay are:

Verse 1:
In my place, in my place
Were lines that I couldn't change
I was lost, oh yeah
I was lost, I was lost
Crossed lines I shouldn't have crossed
I was lost, oh yeah

Chorus:
Yeah, how long must you wait for it?
Yeah, how long must you pay for it?
Yeah, how long must you wait for it?
Oh for it

Verse 2:
I was scared, I was scared
Tired and underprepared
But I'll wait for it
If you go, if you go
And leave me down here on my own
Then I'll wait for you
Yeah, how long must you wait for it?
Yeah, how long must you pay for it?
Yeah, how long must you wait for it?
Oh for it

Bridge:
In my place, in my place
Were lines that I couldn't change
I was lost, oh yeah
Oh yeah

(Repeat Chorus)

Outro:
Yeah I'll wait for it
Yeah I'll wait for you

what are the lyrics to god must have spent a little more time on you by n sync

MC

The lyrics to 'God Must Have Spent a Little More Time on You' by NSYNC are:

Can this be true?
Tell me, can this be real?
How can I put into words what I feel?
My life was complete
I thought I was whole
Why do I feel like I'm losing control?

I never thought that love could feel like this
and you've changed my world with just one kiss.
How can it be that right here with me
there's an angel?
It's a miracle...

Your love is like a river peaceful and deep
Your soul is like a secret that I never could keep
When I look into your eyes I know that it's true
God must have spent...
A little more time
On you...

(A little more time, yes he did baby)

In all of creation
All things great and small
You are the one that surpasses them all
More precious than
Any diamond or pearl
They broke the mold
When you came in this world

And I'm trying hard to figure out
Just how I ever did without
The warmth of your smile
The heart of a child
That's deep inside
Leaves me purified

Your love is like a river peaceful and deep
Your soul is like a secret that I never could keep
When I look into your eyes I know that it's true
God must have spent...
A little more time
On you...

(on you, on you, on you, you...on you, on you, on you, you...)

what are the lyrics to wrapped around your finger by the police

MC

Here are the lyrics to "Wrapped Around Your Finger" by The Police:

You consider me the young apprentice
Caught between the Scylla and Charybdis.
Hypnotized by you if I should linger,
Staring at the ring around your finger.

I have only come here seeking knowledge,
Things they would not teach me of in college.
I can see the destiny you sold turned into a shining band of gold.
I'll be wrapped around your finger.

I'll be wrapped around your finger.
Mephistopheles is not your name,
I know what you're up to just the same.
I will listen hard to your tuition,
You will see it come to its fruition.

I'll be wrapped around your finger.
I'll be wrapped around your finger.

Devil and the deep blue sea behind me,
Vanish in the air you'll never find me.
I will turn your face to alabaster,
When you'll find your servant is your master.

You'll be wrapped around my finger
You'll be wrapped around my finger

You'll be wrapped around my finger

what are the lyrics to free bird by lynyrd skynyrd

MC

Here are the lyrics to the song Free Bird by Lynyrd Skynyrd:

If I leave here tomorrow
Would you still remember me?
For I must be travelling on, now,
'Cause there's too many places I've got to see.

But, if I stayed here with you, girl,
Things just couldn't be the same.
'Cause I'm as free as a bird now,
And this bird you can not change.

Lord knows, I can't change.

Bye, bye, baby it's been a sweet love.
Though this feeling I can't change.
But please don't take it so badly,
'Cause Lord knows I'm to blame.

But, if I stayed here with you girl,
Things just couldn't be the same.
Cause I'm as free as a bird now,
And this bird you'll never change.

And this bird you can not change.
Lord knows, I can't change.
Lord help me, I can't change.

(Guitar Solo)

Lord, I can't change,
Won't you fly high, free bird, yeah!

what are the lyrics to one token over the line by brewer & shipley MC

The lyrics to the song "One Token Over the Line" by Brewer & Shipley are:

One token over the line, sweet Jesus
One token over the line
Sittin' downtown in a railway station
One token over the line

Waitin' for the train that goes home, sweet Mary
Hopin' that the train is on time
Sittin' downtown in a railway station
One token over the line

Who do you think I ran into the other day
Sittin' down by the railway track
A little ol' guy in a beat-up hat
Singin' a song 'One Token Over the Line'

He said 'Son if you ever raise a ruckus again
I'm gonna cut off your head'
I said 'One token over the line, sweet Jesus'
One token over the line

Sittin' downtown in a railway station
One token over the line

what are the lyrics to best thing that ever happened to me by gladys knight & the pips

MC

Here are the lyrics to "Best Thing That Ever Happened To Me" by Gladys Knight & The Pips:

I've had my share of life's ups and downs
But fate's been kind, the downs have been few
I guess you could say that I've been lucky
Well, I guess you could say it's all because of you

If anyone should ever write my life story
For whatever reason there might be
Ooo, you'll be there between each line of pain and glory
'Cause you're the best thing that ever happened to me

Ah, you're the best thing that ever happened to me
Oh, there have been times when times were hard
But always you were there to comfort me
And make me glad for all you are

That's way my dear, I know you're always near
You'll always be the best thing that ever happened to me

You're the best thing that ever happened

The best thing that ever happened

The best thing that ever happened to me

So if anyone should ever write my life story
You'll be there between each line of pain and glory
Because you're the best thing that ever happened to me
Ah....

what are the lyrics to numb by linkin park

MC

Here are the lyrics to the song Numb by Linkin Park:

I'm tired of being what you want me to be
Feeling so faithless, lost under the surface
Don't know what you're expecting of me
Put under the pressure of walking in your shoes

(Caught in the undertow just caught in the undertow)

Every step that I take is another mistake to you
(Caught in the undertow just caught in the undertow)

I've become so numb I can't feel you there
Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you

Can't you see that you're smothering me
Holding too tightly afraid to lose control
Cause everything that you thought I would be
Has fallen apart right in front of you

(Caught in the undertow, just caught in the undertow)

Every step that I take is another mistake to you.

(Caught in the undertow, just caught in the undertow)

And every second I waste is more than I can take

I've become so numb I can't feel you there
Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you

And I know I may end up failing too
But I know you were just like me with someone disappointed in you

I've become so numb I can't feel you there
Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you

I've become so numb I can't feel you there
I'm tired of being what you want me to be
I've become so numb I can't feel you there
I'm tired of being what you want me to be

rough \nThey never did like Mama's homemade dress \nPapa's bankbook wasn't big enough

what are the lyrics to bonfire by childish gambino

MC

The lyrics to Bonfire by Childish Gambino are:

Okay, it's Childish Gambino, homegirl drop it like the NASDAQ
Move white girls like there's coke up my asscrack
Move black girls cause, man, fuck it, I'll do either
I love pussy, I love bitches, dude, I should be runnin' PETA
In Adidas, with some short shorts, B-O-O all over me
My green is where it's supposed to be, your green is in my grocery
This Asian dude, I stole his girl, and now he got that Kogi beef
My dick is like an accent mark, it's all about the over Es
Hot like a parked car
I sound weird like nigga with a hard 'R'
Fly like the logo on my cousin's 440
Eatin' Oreos like these white girls that blow me
Vodka for my ladies, whiskey for a grown man
Hangin' in the islands, lookin' for Earl like toe jam
I made the beat retarded, so I'm callin' it a slow jam
Butcher and I know it, man, kill beef, go ham
These rappers are afraid of him
Cause I'm a beast, bitch, Gir, Invader Zim
Gambino is a call girl, fuck you, pay me
Brand new whip for these niggas like slavery

They told me I was awful man, that shit did not phase me
Tell me how I suck again, my memory is hazy
"You're my favorite rapper, now" Yeah, dude, I better be
Or you can fuckin' kiss my ass, Human Centipede

what are the lyrics to little lion man by mumford and sons

MC

Here are the lyrics to the song Little Lion Man by Mumford & Sons:

Weep for yourself, my man,
You'll never be what is in your heart
Weep, little lion man,
You're not as brave as you were at the start
Rate yourself and rake yourself,
Take all the courage you have left
Wasted on fixing all the problems
That you made in your own head

But it was not your fault but mine
And it was your heart on the line
I really fucked it up this time
Didn't I, my dear?

Tremble for yourself, my man,
You know that you have seen this all before
Tremble, little lion man,
You'll never settle any of your scores

Your grace is wasted in your face,
Your boldness stands alone among the wreck
Now learn from your mother or else spend your days
Biting your own neck

But it was not your fault but mine
And it was your heart on the line
I really fucked it up this time
Didn't I, my dear?

But it was not your fault but mine
And it was your heart on the line
I really fucked it up this time
Didn't I, my dear?

Didn't I, my dear?

what are the lyrics to the times they are a-changin' by bob dylan

MC

Here are the lyrics to the song "The Times They Are A-Changin'" by Bob Dylan:

Come gather 'round people
Wherever you roam
And admit that the waters
Around you have grown
And accept it that soon
You'll be drenched to the bone.
If your time to you
Is worth savin'
Then you better start swimmin'
Or you'll sink like a stone
For the times they are a-changin'.

Come writers and critics
Who prophesize with your pen
And keep your eyes wide
The chance won't come again
And don't speak too soon
For the wheel's still in spin

And there's no tellin' who
That it's namin'.
For the loser now
Will be later to win
For the times they are a-changin'.

Come senators, congressmen
Please heed the call
Don't stand in the doorway
Don't block up the hall
For he that gets hurt
Will be he who has stalled
There's a battle outside ragin'.
It'll soon shake your windows
And rattle your walls
For the times they are a-changin'.

Come mothers and fathers
Throughout the land
And don't criticize
What you can't understand
Your sons and your daughters
Are beyond your command
Your old road is
Rapidly agin'.
Please get out of the new one
If you can't lend your hand
For the times they are a-changin'.

what are the lyrics to let's get together by the youngbloods

MC

The lyrics to Let's Get Together by The Youngbloods are:

Love is but a song we sing
Fear's the way we die
You can make the mountains ring
Or make the angels cry

Though the bird is on the wing
And you may not know why
Come on people now
Smile on your brother
Everybody get together
Try to love one another right now

Come on people now
Smile on your brother
Everybody get together
Try to love one another right now

Come on people now
Smile on your brother
Everybody get together
Try to love one another right now

Come on people now
Smile on your brother
Everybody get together
Try to love one another right now

Come on people now
Smile on your brother
Everybody get together
Try to love one another right now

what are the lyrics to what i've done by linkin park MC

The lyrics to the song "What I've Done" by Linkin Park are:

In this farewell
There's no blood
There's no alibi
'Cause I've drawn regret
From the truth
Of a thousand lies

So let mercy come
And wash away
What I've done

I'll face myself
To cross out what I've become
Erase myself
And let go of what I've done

Put to rest
What you thought of me
While I clean this slate
With the hands
Of uncertainty

So let mercy come
And wash away
What I've done

I'll face myself
To cross out what I've become
Erase myself
And let go of what I've done

For what I've done
I start again
And whatever pain may come
Today this ends
I'm forgiving what I've done!

I'll face myself
To cross out what I've become
Erase myself
And let go of what I've done

Na na na na
Na na na na
Na na na na

What I've done
Forgiving what I've done

what are the lyrics to nobody's listening by linkin park

MC

The lyrics to Nobody's Listening by Linkin Park are:

Yo, peep the style and the kids checking for it,
The number one question is how could you ignore it,
We drop right back in the cut over basement tracks,
With raps that got you backing this up like
Rewind that, we're just rolling with the rhythm,
Rise from the ashes of stylish division,
With these non-stop lyrics of life living
Not to be forgotten but still unforgiven,
But in the meantime there are those who wanna talk this and that,
So I suppose it gets to a point where feelings gotta get hurt,
And get dirty with the people spreading the dirt,

[Chorus]
Tried to give you warning but everyone ignores me,
Told you everything loud and clear,
But nobody's listening,
Called to you so clearly but you don't want to hear me,
Told you everything loud and clear,
But nobody's listening.

I got a heart full of pain, head full of stress,
Handful of anger, held in my chest,
Uphill struggle blood, sweat and tears,
Nothing to gain, everything to fear,
Heart full of pain, head full of stress,
Handful of anger, held in my chest,

[Chorus]
Coming at you from every side,
(Told you everything loud and clear)
Incorporatin' the rhythm with the rhyme,
(But nobody's listening)
Told you everything loud and clear,

But nobody's listening!

what are the lyrics to take me out by franz ferdinand

MC

The lyrics to the song "Take Me Out" by Franz Ferdinand are:

So if you're lonely,
You know I'm here waiting for you.
I'm just a cross-hair,
I'm just a shot away from you.
And if you leave here,
You leave me broken, shattered, I lie.
I'm just a cross-hair,
I'm just a shot, then we can die.

I say don't you know,
You say you don't know,
I say... take me out!
Take me out!
I say don't you know,
You say you don't know,
I say... take me out!

If I move this could die,
If eyes move this could die,
I want this relief,
I glance again, games kill.
Give me that hope,
In my sights, in my sights,
To be free,
In my sights, In my sights,
To be free.

I say don't you know,
You say you don't know,
I say... take me out!
Take me out!
I say don't you know,
You say you don't know,
I say... take me out!
Take me out!

what are the lyrics to gimme three steps by lynyrd skynyrd

MC

Here are the lyrics to 'Gimme Three Steps' by Lynyrd Skynyrd:

Well I was cutting the rug
Down at a place called The Jug
With a girl named Linda Lu
When in walked a man
With a gun in his hand
And he was looking for you know who.

He said, Hey there fellow,
With the hair colored yellow,
Watcha tryin' to prove?
'Cause that's my woman there
And I'm a man who cares
And this might be all for you.

I was scared and fearing for my life.
I was shaking like a leaf on a tree.
'Cause he was lean, mean,
Big and bad, Lord,
Pointing that gun at me.

I said, Wait a minute, mister,
I didn't even kiss her.
Don't want no trouble with you.
And I know you're the king,
But I ain't done a thing,
Please don't be mad at me.

He said, Don't you touch her,
Or do nothing to her.
Or I'll fill you full of lead.
I said, Please mister, please,
I'm down on my knees.
Gimme three steps, gimme three steps
Gimme three steps towards the door.

Gimme three steps
Gimme three steps, mister,
And you'll never see me no more.

Doo, doo, doo...

what are the lyrics to runaway by linkin park

MC

Here are the lyrics to the song Runaway by Linkin Park:

Graffiti decorations
Under a sky of dust
A constant wave of tension
On top of broken trust
The lessons that you taught me
I learn were never true
Now I find myself in question
(They point the finger at me again)
Guilty by association
(You point the finger at me again)

I wanna run away
Never say goodbye
I wanna know the truth
Instead of wondering why
I wanna know the answers
No more lies
I wanna shut the door
And open up my mind

Paper bags and angry voices
Under a sky of dust
Another wave of tension
Has more than filled me up
All my talk of taking action
These words were never true
Now I find myself in question
(They point the finger at me again)
Guilty by association
(You point the finger at me again)

I wanna run away
Never say goodbye
I wanna know the truth
Instead of wondering why
I wanna know the answers
No more lies

I wanna shut the door
And open up my mind

I'm gonna run away, run away, run away
I'm gonna run away, run away, run away
I'm gonna run away, run away, run away
I'm gonna run away, run away, run away!

I wanna run away
Never say goodbye
I wanna know the truth
Instead of wondering why

what are the lyrics to magic by coldplay

MC

Here are the lyrics to the song 'Magic' by Coldplay:

Call it magic, call it true
Call it magic, when I'm with you
And I just got broken, broken into two
Still I call it magic, such a precious jewel

Magic, it's such
Magic, it's such
Magic, it's such

I call it magic, such a precious jewel
And I don't and I don't and I don't and I don't
No I don't, it's true
I don't, no I don't, no I don't, no I don't
Want anybody else but you

Call it magic
Cut me into two
And with all your magic
I disappear from view
And I can't get over, can't get over you

Still I call it magic
Such a precious jewel'

I call it magic, such a precious jewel
And I don't and I don't and I don't and I don't
No I don't, it's true
I don't, no I don't, no I don't, no I don't
Want anybody else but you

Oooh, this is magic
Oooh, this is magic

what are the lyrics to i hate myself for loving you by joan jett

MC

The lyrics to the song 'I Hate Myself for Loving You' by Joan Jett are:

Midnight, gettin' uptight
Where are you?
You said you'd meet me, now it's quarter to two
I know I'm hangin' but I'm still wantin' you

Hey Jack, It's a fact they're talkin' in town
I turn my back and you're messin' around
I'm not really jealous, don't like lookin' like a clown

I think of you ev'ry night and day
You took my heart, then you took my pride away

I hate myself for loving you
Can't break free from the things that you do
I wanna walk but I run back to you, that's why
I hate myself for loving you

Daylight, spent the night without you
But I've been dreamin' 'bout the lovin' you do
I'm over bein' angry 'bout the hell you put me through

Hey man, bet you can treat me right
You just don't know what you was missin' last night
I wanna see your face and say forget it just from spite

I hate myself for loving you
Can't break free from the things that you do
I wanna walk but I run back to you, that's why
I hate myself for loving you

I think of you ev'ry night and day
You took my heart, then you took my pride away

I hate myself for loving you
Can't break free from the things that you do
I wanna walk but I run back to you, that's why
I hate myself for loving you

what are the lyrics to bittersweet symphony by the verve

Here are the lyrics to "Bittersweet Symphony" by The Verve:

'Cause it's a bittersweet symphony, this life
Try to make ends meet
You're a slave to money then you die
I'll take you down the only road I've ever been down
You know the one that takes you to the places where all the veins meet yeah

No change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
But I'm a million different people
from one day to the next
I can't change my mold
No, no, no, no, no

Well I never pray
But tonight I'm on my knees yeah
I need to hear some sounds that recognize the pain in me, yeah
I let the melody shine, let it cleanse my mind, I feel free now
But the airwaves are clean and there's nobody singing to me now

No change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
And I'm a million different people
from one day to the next
I can't change my mold
No, no, no, no, no
I can't change
I can't change

'Cause it's a bittersweet symphony, this life
Try to make ends meet
Try to find some money then you die
I'll take you down the only road I've ever been down
You know the one that takes you to the places where all the veins meet yeah

You know I can't change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
And I'm a million different people
from one day to the next
I can't change my mold
No, no, no, no, no

I can't change my mold
no, no, no, no, no,
I can't change
Can't change my body,
no, no, no

I'll take you down the only road I've ever been down
I'll take you down the only road I've ever been down
Been down
Ever been down
Ever been down
Ever been down
Ever been down
Have you ever been down?

what are the lyrics to a change is gonna come by sam cooke

Here are the lyrics to "A Change Is Gonna Come" by Sam Cooke:

I was born by the river in a little tent
Oh and just like the river I've been running ev'r since
It's been a long time, a long time coming
But I know a change gonna come, oh yes it will

It's been too hard living, but I'm afraid to die
'Cause I don't know what's up there, beyond the sky
It's been a long, a long time coming
But I know a change gonna come, oh yes it will

I go to the movie and I go downtown
Somebody keep tellin' me don't hang around
It's been a long, a long time coming
But I know a change gonna come, oh yes it will

Then I go to my brother
And I say brother help me please
But he winds up knockin' me
Back down on my knees, oh

There have been times that I thought I couldn't last for long
But now I think I'm able to carry on
It's been a long, a long time coming
But I know a change is gonna come, oh yes it will

what are the lyrics to dead flowers by the rolling stones

Here are the lyrics to "Dead Flowers" by The Rolling Stones:

Well when you're sitting back in your rose pink Cadillac
Making bets on Kentucky Derby Day
I'll be in my basement room with a needle and a spoon
And another girl to take my pain away

We could have had it all
Rolling in the dirt
In my sweet Virginia state of mind
You should've bought the roses while you had the chance
Now they're just dried up dead flowers from my mother's dance

Well when you're sitting back in your rose pink Cadillac
Making bets on Kentucky Derby Day
Ah, I'll be in my basement room with a needle and a spoon
And another girl can take my pain away

Take me down little Suzie, take me down
I know you think you're the queen of the underground
And you can send me dead flowers every morning
Send me dead flowers by the mail
Send me dead flowers at my wedding
And I won't forget to put roses on your grave

Well when you're sitting back in your rose pink Cadillac
Making bets on Kentucky Derby Day
Ah, I'll be in my basement room with a needle and a spoon
And another girl can take my pain

Take me down little Suzie, take me down
I know you think you're the queen of the underground
And you can send me dead flowers every morning
Send me dead flowers by the mail
Send me dead flowers to my wedding
And I won't forget to put roses on your grave

what are the lyrics to mama said by the shirelles

Here are the lyrics to the song "Mama Said" by The Shirelles:

Mama said there'll be days like this
There'll be days like this, my mama said
(Mama said, mama said)

Mama said there'll be days like this
There'll be days like this, my mama said
(Mama said, mama said)

I went walking the other day
Everything was going fine
I met a little boy named Billy Joe
And then I almost lost my mind

Mama said there'll be days like this
There'll be days like this, my mama said
(Mama said, mama said)

Mama said there'll be days like this
There'll be days like this, my mama said

My eyes are wide open
But all that I can see is
Chapel bells are callin for everyone but-a me
But I don't worry cause

Mama said there'll be days like this
There'll be days like this, my mama said
(Mama said, mama said)

Mama said there'll be days like this
There'll be days like this, my mama said

what are the lyrics to play with fire by the rolling stones

Here are the lyrics to "Play With Fire" by The Rolling Stones:

Well, you've got your diamonds and you've got your pretty clothes
And the chauffeur drives your car
You let everybody know
But don't play with me, 'cause you're playing with fire

Your mother she's an heiress, owns a block in Saint John's Wood
And your father'd be there with her
If he only could
But don't play with me, 'cause you're playing with fire

Your old man took her diamonds and tiaras by the score
Now she gets her kicks in Stepney
Not in Knightsbridge anymore
So don't play with me, 'cause you're playing with fire

Now you've got some diamonds and you will have some others
But you'd better watch your step, girl
Or start living with your mother
So don't play with me, 'cause you're playing with fire

So don't play with me, 'cause you're playing with fire

Here are the lyrics to "She's a Rainbow" by The Rolling Stones:

She comes in colors everywhere;
She combs her hair
She's like a rainbow
Coming colors in the air
Oh, everywhere
She comes in colors

She comes in colors everywhere;
She combs her hair
She's like a rainbow
Coming colors in the air
Oh, everywhere
She comes in colors

Have you seen her dressed in blue?
See the sky in front of you
And her face is like a sail
Speck of white so fair and pale
Have you seen the lady fairer?

She comes in colors everywhere;
She combs her hair
She's like a rainbow
Coming colors in the air
Oh, everywhere
She comes in colors

Have you seen her all in gold?
Like a queen in days of old
She shoots colors all around
Like a sunset going down
Have you seen the lady fairer?

She comes in colors everywhere;
She combs her hair
She's like a rainbow
Coming colors in the air
Oh, everywhere
She comes in colors

what are the lyrics to twistin' the night away by sam cooke

Here are the lyrics to the song "Twistin' the Night Away" by Sam Cooke:

Let me tell you 'bout a place
Somewhere up a New York way
Where the people are so gay
Twistin' the night away

Here they have a lot of fun
Puttin' trouble on the run
Man, you find the old and young
Twistin' the night away

They're twistin', twistin', everybody's feelin' great
They're twistin', twistin', they're twistin' the night away

Here's a man in evening clothes
How he got here, nobody knows
But man, you oughta see him go, yeah
Twistin' the night away

He's dancin' with the chick in slacks
She's a movin' up and back
Oh man, there's nothing like
Twistin' the night away

They're twistin', twistin', everybody's feelin' great
They're twistin', twistin', they're twistin' the night away

They're twistin', twistin', everybody's feelin' great

what are the lyrics to wonderful world by sam cooke

Here are the lyrics to the song "Wonderful World" by Sam Cooke:

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took

But I do know that I love you
And I know that if you love me, too
What a wonderful world this would be

Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
Don't know what a slide rule is for

But I do know one and one is two
And if this one could be with you
What a wonderful world this would be

Now, I don't claim to be an A student
But I'm trying to be
For maybe by being an A student, baby
I can win your love for me

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took

But I do know that I love you
And I know that if you love me, too
What a wonderful world this would be

La ta ta ta ta ta ta (History)
Hmm-mm-mm (Biology)
La ta ta ta ta ta ta (Science book)
Hmm-mm-mm (French I took)

And I know that if you love me, too
What a wonderful world this would be

Leona Lewis Bleeding Love Lyrics

what are the lyrics to bleeding love by leona lewis

MC

Here are the lyrics to "Bleeding Love" by Leona Lewis:

Closed off from love
I didn't need the pain
Once or twice was enough
And it was all in vain
Time starts to pass
Before you know it you're frozen

But something happened
For the very first time with you
My heart melts into the ground
Found something true
And everyone's looking round
Thinking I'm going crazy

But I don't care what they say
I'm in love with you
They try to pull me away
But they don't know the truth
My heart's crippled by the vein
That I keep on closing

You cut me open and I

Keep bleeding
Keep, keep bleeding love
I keep bleeding
I keep, keep bleeding love
Keep bleeding
Keep, keep bleeding love
You cut me open

Trying hard not to hear
But they talk so loud
Their piercing sounds fill my ears
Try to fill me with doubt
Yet I know that the goal
Is to keep me from falling

But nothing's greater than the rush that comes with your embrace
And in this world of loneliness
I see your face
Yet everyone around me
Thinks that I'm going crazy, maybe, maybe

But I don't care what they say
I'm in love with you
They try to pull me away
But they don't know the truth
My heart's crippled by the vein
That I keep on closing

You cut me open and I

what are the lyrics to rumour has it by adele

Here are the lyrics to the song "Rumour Has It" by Adele:

She, she ain't real
She ain't gonna be able to love you like I will
She is a stranger
You and I have history, or don't you remember?
Sure, she's got it all but baby is that really what you want?

Bless your soul, you've got your head in the clouds
You made a fool out of you and, boy, she's bringing you down
She made your heart melt but you're cold to the core
Now rumour has it, she ain't got your love anymore

Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)

She is half your age but I'm guessing that's the reason that you've stayed
I heard you've been missing me, you've been telling people things you shouldn't be
Like when we creep out, she ain't around, haven't you heard the rumours?

Bless your soul, you've got your head in the clouds
You made a fool out of me, and boy, you're bringing me down
You made my heart melt, yet I'm cold to the core
But rumour has it I'm the one you're leaving her for

Rumour has it (rumour)
Rumour has it (rumour)

Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)

All of these words whispered in my ear
Tell a story that I cannot bear to hear
Just 'cause I said it, it don't mean that I meant it
People say crazy things
Just 'cause I said it, don't that mean I meant it
Just 'cause you heard it

Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)

Rumour has it (rumour)
Rumour has it (rumour)
Rumour has it (rumour)

what are the lyrics to somebody else by the 1975

Here are the lyrics to the song "Somebody Else" by The 1975:

So I heard you found somebody else
And at first I thought it was a lie
I took all my things that make sounds
The rest I can do without

I don't want your body
But I hate to think about you with somebody else
Our love has gone cold
You're intertwining your soul with somebody else

I'm looking through you while you're looking through your phone
And then leaving with somebody else
No, I don't want your body
But I'm picturing your body with somebody else

Come on baby, this ain't the last time that I'll see your face
Come on baby, you said you'd find someone to take my place

I don't want your body
But I'm picturing your body with somebody else
Come on baby, this ain't the last time that I'll see your face
Come on baby, you said you'd find someone to take my place

I'm looking through you while you're looking through your phone
And then leaving with somebody else
No, I don't want your body
But I'm picturing your body with somebody else

Getting over you I'm still trying
Getting through you is still trying

You're intertwining your soul with somebody else

what are the lyrics to 7 rings by ariana grande

Here are the lyrics to 7 Rings by Ariana Grande:

Yeah, breakfast at Tiffany's and bottles of bubbles
Girls with tattoos who like getting in trouble
Lashes and diamonds, ATM machines
Buy myself all of my favorite things (yeah)

Been through some bad shit, I should be a sad bitch
Who would have thought it'd turn me to a savage?
Rather be tied up with calls and not strings
Write my own checks like I write what I sing, yeah (yeah)

My wrist, stop watchin', my neck is flossin'
Make big deposits, my gloss is poppin'
You like my hair? Gee, thanks, just bought it
I see it, I like it, I want it, I got it (yeah)

I want it, I got it, I want it, I got it
I want it, I got it, I want it, I got it
You like my hair? Gee, thanks, just bought it
I see it, I like it, I want it, I got it (yeah)

Wearing a ring, but ain't gon' be no "Mrs."
Bought matching diamonds for six of my bitches
I'd rather spoil all my friends with my riches
Think retail therapy my new addiction

Whoever said money can't solve your problems
Must not have had enough money to solve 'em
They say, "Which one?" I say, "Nah, I want all 'em"
Happiness is the same price as red-bottoms

My smile is beamin', my skin is gleamin'
The way it shine, I know you've seen it (you've seen it)
I bought a crib just for the closet
Both his and hers, I want it, I got it, yeah

I want it, I got it, I want it, I got it (baby)
I want it, I got it, I want it, I got it (oh yeah, yeah)
You like my hair? Gee, thanks, just bought it (oh yeah)
I see it, I like it, I want it, I got it (yeah)

Yeah, my receipts be lookin' like phone numbers
If it ain't money, then wrong number
Black card is my business card
The way it be settin' the tone for me

I don't mean to brag, but I be like, "Put it in the bag," yeah
When you see them racks, they stacked up like my ass, yeah
Shoot, go from the store to the booth
Make it all back in one loop, gimme the loot

Never mind, I got the juice
Nothing but net when we shoot
Look at my neck, look at my jet
Ain't got enough money to pay me respect
Ain't no budget when I'm on the set
If I like it, then that's what I get, yeah

I want it, I got it, I want it, I got it (oh yeah, yeah)
I want it, I got it, I want it, I got it (oh yeah, yeah)
You like my hair? Gee, thanks, just bought it
I see it, I like it, I want it, I got it (yeah)

what are the lyrics to we built this city by starship

Here are the lyrics to the song "We Built This City" by Starship:

We built this city, we built this city on rock and roll

Built this city, we built this city on rock and roll

Say you don't know me or recognize my face
Say you don't care who goes to that kind of place
Knee deep in the hoopla, sinking in your fight
Too many runaways eating up the night

Marconi plays the mamba, listen to the radio
Don't you remember? We built this city, we built this city on rock and roll

We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll

Someone's always playing corporation games
Who cares they're always changing corporation names
We just want to dance here, someone stole the stage
They call us irresponsible, write us off the page

Marconi plays the mamba, listen to the radio
Don't you remember? We built this city, we built this city on rock and roll

We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll

It's just another Sunday, in a tired old street
Police have got the choke hold, oh then we just might meet

Marconi plays the mamba, listen to the radio
Don't you remember? We built this city, we built this city on rock and roll

We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll

Built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll

what are the lyrics to i will survive by gloria gaynor

Here are the lyrics to "I Will Survive" by Gloria Gaynor:

First I was afraid, I was petrified

Kept thinking I could never live without you by my side

But then I spent so many nights thinking how you did me wrong

And I grew strong

And I learned how to get along

And so you're back from outer space

I just walked in to find you here with that sad look upon your face

I should have changed my stupid lock, I should have made you leave your key

If I had known for just one second you'd be back to bother me

Go on now, go, walk out the door

Just turn around now

'Cause you're not welcome anymore

Weren't you the one who tried to hurt me with goodbye?

Did you think I'd crumble?

Did you think I'd lay down and die?

Oh no, not I, I will survive

Oh, as long as I know how to love, I know I'll stay alive

I've got all my life to live

And I've got all my love to give and I'll survive

I will survive, hey, hey

It took all the strength I had not to fall apart

Kept trying hard to mend the pieces of my broken heart

And I spent oh-so many nights just feeling sorry for myself

I used to cry

But now I hold my head up high

And you see me somebody new

I'm not that chained-up little person still in love with you

And so you felt like dropping in and just expect me to be free

Well, now I'm saving all my lovin' for someone who's lovin' me

Go on now, go, walk out the door

Just turn around now

what are the lyrics to say something by a great big world

Here are the lyrics to "Say Something" by A Great Big World:

Say something, I'm giving up on you
I'll be the one, if you want me to
Anywhere, I would've followed you
Say something, I'm giving up on you

And I am feeling so small
It was over my head
I know nothing at all

And I will stumble and fall
I'm still learning to love
Just starting to crawl

Say something, I'm giving up on you
I'm sorry that I couldn't get to you
Anywhere, I would've followed you
Say something, I'm giving up on you

And I will swallow my pride
You're the one that I love
And I'm saying goodbye

Say something, I'm giving up on you
And I'm sorry that I couldn't get to you
And anywhere, I would have followed you
Oh-oh-oh-oh say something, I'm giving up on you

Say something, I'm giving up on you
Say something...

I'm waking up to ash and dust
I wipe my brow and I sweat my rust
I'm breathing in the chemicals

I'm breaking in, shaping up, then checking out on the prison bus
This is it, the apocalypse
Whoa

I'm waking up, I feel it in my bones
Enough to make my systems blow
Welcome to the new age, to the new age
Welcome to the new age, to the new age
Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa, I'm radioactive, radioactive
Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa, I'm radioactive, radioactive

I raise my flags, don my clothes
It's a revolution, I suppose
We're painted red to fit right in
Whoa

I'm breaking in, shaping up, then checking out on the prison bus
This is it, the apocalypse
Whoa

I'm waking up, I feel it in my bones
Enough to make my systems blow
Welcome to the new age, to the new age
Welcome to the new age, to the new age

what are the lyrics to scars to your beautiful by alessia cara

Here are the lyrics to "Scars to Your Beautiful" by Alessia Cara:

She just wants to be beautiful
She goes unnoticed, she knows no limits
She craves attention, she praises an image
She prays to be sculpted by the sculptor
Oh, she don't see the light that's shining
Deeper than the eyes can find it
Maybe we have made her blind
So she tries to cover up her pain
And cut her woes away
'Cause covergirls don't cry
After their face is made

But there's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are
And you don't have to change a thing
The world could change its heart
No scars to your beautiful, we're stars and we're beautiful

Oh-oh-oh, oh-oh-oh, oh-oh-oh
And you don't have to change a thing
The world could change its heart
No scars to your beautiful, we're stars and we're beautiful

She has dreams to be an envy, so she's starving
You know, "Covergirls eat nothing."
She says, "Beauty is pain and there's beauty in everything."
"What's a little bit of hunger?"
"I can go a little while longer," she fades away
She don't see her perfect, she don't understand she's worth it
Or that beauty goes deeper than the surface

Oh, oh, oh, oh, oh, oh
So to all the girls that's hurting
Let me be your mirror, help you see a little bit clearer
The light that shines within

There's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are
And you don't have to change a thing
The world could change its heart
No scars to your beautiful, we're stars and we're beautiful

No better you than the you that you are (no better you than the you that you are)
No better life than the life we're living (no better life than the life we're living)
And there's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are

And you don't have to change a thing
The world could change its heart
No scars to your beautiful, we're stars and we're beautiful

now she's in me, always with me, tiny dancer in my hand\n\nJesus freaks out in the
street\nHanding tickets out for God\nTurning back she just laughs\nThe boulevard is not that
bad\n\nPiano man he makes his stand\nIn the auditorium\nLooking on she sings the songs\nThe
words she knows the tune she hums\n\nBut oh how it feels so real\nLying here with no one
near\nOnly you and you can hear me\nWhen I say softly, slowly\n\nHold me closer tiny
dancer\nCount the headlights on the highway\nLay me down in sheets of linen\nYou had a busy
day today\n\nHold me closer tiny dancer\nCount the headlights on the highway\nLay me down in
sheets of linen\nYou had a busy day today\n\nBlue jean baby, L.A. lady, seamstress for the
band\nPretty eyed, pirate smile, you'll marry a music man\nBallerina, you must have seen her
dancing in the sand\nAnd now she's in me, always with me, tiny dancer in my hand\n\nBut oh
how it feels so real\nLying here with no one near\nOnly you and you can hear me\nWhen I say
softly, slowly\n\nHold me closer tiny dancer\nCount the headlights on the highway\nLay me

what are the lyrics to goodbye yellow brick road by elton john

Here are the lyrics to "Goodbye Yellow Brick Road" by Elton John:

When are you gonna come down
When are you going to land
I should have stayed on the farm
I should have listened to my old man
You know you can't hold me forever
I didn't sign up with you
I'm not a present for your friends to open
This boy's too young to be singing the blues

So goodbye yellow brick road
Where the dogs of society howl
You can't plant me in your penthouse
I'm going back to my plough
Back to the howling old owl in the woods
Hunting the horny back toad
Oh I've finally decided my future lies
Beyond the yellow brick road

What do you think you'll do then
I bet that'll shoot down your plane
It'll take you a couple of vodka and tonics
To set you on your feet again
Maybe you'll get a replacement
There's plenty like me to be found
Mongrels who ain't got a penny
Sniffing for tidbits like you on the ground

So goodbye yellow brick road
Where the dogs of society howl
You can't plant me in your penthouse
I'm going back to my plough
Back to the howling old owl in the woods
Hunting the horny back toad
Oh I've finally decided my future lies
Beyond the yellow brick road

what are the lyrics to your song by elton john

Here are the lyrics to the song "Your Song" by Elton John:

It's a little bit funny, this feeling inside
I'm not one of those who can easily hide
I don't have much money, but boy if I did
I'd buy a big house where we both could live

If I was a sculptor, but then again no
Or a man who makes potions in a traveling show
I know it's not much, but it's the best I can do
My gift is my song, and this one's for you

And you can tell everybody this is your song
It may be quite simple, but now that it's done
I hope you don't mind, I hope you don't mind
That I put down in words
How wonderful life is while you're in the world

I sat on the roof and kicked off the moss
Well, a few of the verses, well, they've got me quite cross
But the sun's been quite kind while I wrote this song
It's for people like you that keep it turned on

So excuse me forgetting, but these things I do
You see, I've forgotten if they're green or they're blue
Anyway, the thing is, what I really mean
Yours are the sweetest eyes I've ever seen

And you can tell everybody this is your song
It may be quite simple, but now that it's done
I hope you don't mind, I hope you don't mind
That I put down in words
How wonderful life is while you're in the world

I hope you don't mind, I hope you don't mind

what are the lyrics to redbone by childish gambino

Here are the lyrics to the song "Redbone" by Childish Gambino:

Daylight

I wake up feeling like you won't play right

I used to know, but now that shit don't feel right

It made me put away my pride

So long

You made a nigga wait for some, so long

You make it hard for boy like that to go on

I'm wishing I could make this mine, oh

If you want it, yeah

You can have it, oh, oh, oh

If you need it, ooh

We can make it, oh

If you want it

You can have it

But stay woke

Niggas creepin'

They gon' find you

Gon' catch you sleepin' (Ooh)

Now stay woke

Niggas creepin'

Now don't you close your eyes

Too late

You wanna make it right, but now it's too late

My peanut butter chocolate cake with Kool-Aid

I'm trying not to waste my time

If you want it, oh

You can have it, oh, oh, oh

If you need it, ooh

We can make it, oh

If you want it

You can have it

But stay woke

Niggas creepin'

They gon' find you

Gon' catch you sleepin' (Ooh)

Now stay woke

Niggas creepin'

Now don't you close your eyes

Too late

You wanna make it right, but now it's too late

My peanut butter chocolate cake with Kool-Aid

I'm trying not to waste my time

If you want it, oh

You can have it, oh, oh, oh

If you need it, ooh

We can make it, oh

If you want it

You can have it

But stay woke

what are the lyrics to sign of the times by harry styles

Here are the lyrics to Sign of the Times by Harry Styles:

Just stop your crying, it's a sign of the times
We gotta get away from here
We gotta get away from here
Just stop your crying, it'll be alright
They told me that the end is near
We gotta get away from here

Just stop your crying, have the time of your life
Breaking through the atmosphere
And things are pretty good from here
Remember, everything will be alright
We can meet again somewhere
Somewhere far away from here

We've got to get away from here
We've got to get away from here
Just stop your crying, it's a sign of the times
We gotta get away from here
We got to get away from here

Just stop your crying, baby, it will be alright
They told me that the end is near
We gotta get away from here

We've got to get away, we've got to get away
We've got to get away from here
Just stop your crying, it's a sign of the times

what are the lyrics to let's stay together by al green

Here are the lyrics to Let's Stay Together by Al Green:

I'm, I'm so in love with you

Whatever you want to do

Is alright with me

'Cause you make me feel so brand new

And I want to spend my life with you

Let me say that since, baby, since we've been together

Loving you forever

Is what I need

Let me be the one you come running to

I'll never be untrue

Let's, let's stay together

Loving you whether, whether

Times are good or bad, happy or sad

Whether times are good or bad, happy or sad

Why, why some people break up

Then turn around and make up

I just can't see

You'd never do that to me (would you, baby)

Staying around you is all I see

Here I am, and here I'll be

We're together, baby, long as we

Can be

So don't you worry 'bout a thing, baby

'Cause I'll be standing on the side

When nobody else is more than a friend to me

Let's, we oughta stay together

Loving you whether, whether

Times are good or bad, happy or sad

Come on, let's, let's stay together

what are the lyrics to bennie and the jets by elton john

Here are the lyrics to "Bennie and the Jets" by Elton John:

Hey kids, shake it loose together
The spotlight's hitting something
That's been known to change the weather
We'll kill the fatted calf tonight
So stick around, you're gonna hear electric music
Solid wall of sound

Say, Candy and Ronnie, have you seen them yet?
But they're so spaced out, Bennie and the Jets
Oh but they're weird and they're wonderful
Oh Bennie she's really keen
She's got electric boots a mohair suit
You know I read it in a magazine
Oh ho, Bennie and the Jets

Hey kids, plug into the faithless
Maybe they're blinded
But Bennie makes them ageless
We shall survive, let us take ourselves along
Where we fight our parents out in the streets
To find who's right and who's wrong

Oh, Candy and Ronnie, have you seen them yet?
But they're so spaced out, Bennie and the Jets
Oh but they're weird and they're wonderful
Oh Bennie she's really keen
She's got electric boots a mohair suit
You know I read it in a magazine

what are the lyrics to golden by harry styles

Here are the lyrics to the song "Golden" by Harry Styles:

Golden, golden, golden as I open my eyes
Hold it, focus, hoping, take me back to the light
I know you were way too bright for me
I'm hopeless, broken, so you wait for me in the sky
Browns my skin just right
You're so golden
You're so golden, I'm out of my head
And I know that you're scared because hearts get broken

I don't wanna be alone
I don't wanna be alone when it ends
Don't wanna let you know
I don't wanna be alone
But I can feel it take a hold (I can feel it take a hold)
I can feel you take control (I can feel you take control)
Of who I am and all I've ever known
Loving you's the antidote

Golden
You're so golden
I don't want to be alone
You're so golden
You're so golden

I'm out of my head
And I know that you're scared because hearts get broken

I know that you're scared because I'm so open
You're so golden
I don't want to be alone
You're so golden
You're so golden
You're so golden
I'm out of my head

Here are the lyrics to the song "Somebody to Love" by Jefferson Airplane:

When the truth is found to be lies

And all the joy within you dies

Don't you want somebody to love

Don't you need somebody to love

Wouldn't you love somebody to love

You better find somebody to love

When the garden flowers baby are dead yes

And your mind, your mind is so full of red

Don't you want somebody to love

Don't you need somebody to love

Wouldn't you love somebody to love

You better find somebody to love

Your eyes, I say your eyes may look like his

Yeah, but in your head baby I'm afraid you don't know where it is

Don't you want somebody to love

Don't you need somebody to love

Wouldn't you love somebody to love

You better find somebody to love

Tears are running ah running down your breast

And your friends baby they treat you like a guest

Don't you want somebody to love

Charlie Daniels Band:\n\nThe devil went down to Georgia, he was lookin' for a soul to
steal\nHe was in a bind 'cause he was way behind, he was willing to make a deal\nWhen he
came across this young man sawin' on a fiddle and playin' it hot\nAnd the devil jumped up on
a hickory stump and said \"Boy, let me tell you what\"\n\n\"I guess you didn't know it, but
I'm a fiddle player too\nAnd if you'd care to take a dare, I'll make a bet with you\nNow you
play a pretty good fiddle, boy, but give the devil his due\nI'll bet a fiddle of gold
against your soul 'cause I think I'm better than you\"\n\nThe boy said, \"My name's Johnny,
and it might be a sin\nBut I'll take your bet, you're gonna regret, 'cause I'm the best
there's ever been\"\n\nJohnny, rosin up your bow and play your fiddle hard\n'Cause hell's
broke loose in Georgia, and the devil deals the cards\nAnd if you win, you get this shiny
fiddle made of gold\nBut if you lose, the devil gets your soul\n\nThe devil opened up his
case, and he said, \"I'll start this show\"\nAnd fire flew from his fingertips as he rosined
up his bow\nAnd he pulled the bow across the strings, and it made an evil hiss\nThen a band
of demons joined in, and it sounded something like this\n\nWhen the devil finished, Johnny
said, \"Well, you're pretty good old son\nBut sit down in that chair right there, and let me
show you how it's done\"\n\nFire on the mountain, run boys run\nThe devil\u2019s in the
house of the rising sun\nChicken in the bread pan pickin\u2019 out dough\nGranny does your
dog bite, no child no\n\nThe devil bowed his head because he knew that he'd been beat\nAnd
he laid that golden fiddle on the ground at Johnny's feet\nJohnny said, \"Devil, just come
on back if you ever wanna try again\nI done told you once, you son of a bitch, I'm the best
there's ever been\"\n\nHe played fire on the mountain, run boys run\nThe devil\u2019s in the

what are the lyrics to torn by natalie imbruglia

Here are the lyrics to the song "Torn" by Natalie Imbruglia:

I thought I saw a man brought to life
He was warm, he came around like he was dignified
He showed me what it was to cry

Well you couldn't be that man I adored
You don't seem to know, don't seem to care
What your heart is for
But I don't know him anymore

There's nothing where he used to lie
My conversation has run dry
That's what's going on, nothing's fine
I'm torn

I'm all out of faith, this is how I feel
I'm cold and I am shamed lying naked on the floor
Illusion never changed into something real
I'm wide awake and I can see the perfect sky is torn
You're a little late, I'm already torn

So I guess the fortune teller's right
I should have seen just what was there and not some
holy light
But you crawled beneath my veins and now

I don't care, I have no luck
I don't miss it all that much
There's just so many things
That I can't touch, I'm torn

I'm all out of faith, this is how I feel
I'm cold and I am shamed lying naked on the floor
Illusion never changed into something real
I'm wide awake and I can see the perfect sky is torn
You're a little late, I'm already torn
Torn

There's nothing where he used to lie
My inspiration has run dry
That's what's going on, nothing's right, I'm torn

I'm all out of faith, this is how I feel
I'm cold and I am shamed lying naked on the floor
Illusion never changed into something real
I'm wide awake and I can see the perfect sky is torn
I'm all out of faith, this is how I feel
I'm cold and I'm ashamed bound and broken on the floor
You're a little late, I'm already torn

what are the lyrics to renegades by x ambassadors

Here are the lyrics to Renegades by X Ambassadors:

Run away-ay with me
Lost souls in revelry
Running wild and running free
Two kids, you and me

And I say
Hey, hey, hey, hey
Living like we're renegades
Hey, hey, hey, hey
Living like we're renegades
Renegades, renegades

Long live the pioneers
Rebels and mutineers
Go forth and have no fear
Come close and lend an ear

And I say
Hey, hey, hey, hey
Living like we're renegades
Hey, hey, hey, hey
Living like we're renegades
Renegades, renegades

No rules for us, we don't listen anyway
No rules for us, we don't listen anyway
No rules for us, we don't listen anyway
No rules for us, we don't listen anyway

And I say
Hey, hey, hey, hey
Living like we're renegades

what are the lyrics to anaconda by nicki minaj

Here are the lyrics to "Anaconda" by Nicki Minaj:

My anaconda don't want none
Unless you've got buns, hun
Oh my gosh, look at her butt
Oh my gosh, look at her butt
Oh my gosh, look at her butt
Look at her butt (look at her butt)

This dude named Michael used to ride motorcycles
Dick bigger than a tower, I ain't talking about Eiffel's
Real country-ass nigga, let me play with his rifle
Pussy put his ass to sleep, now he calling me NyQuil
Now that bang bang bang, I let him hit it cause he slang cocaine
He toss my salad like his name Romaine
And when we done, I make him buy me Balmain
I'm on some dumb shit

By the way, what he say?
He can tell I ain't missing no meals
Come through and fuck 'em in my automobile
Let him eat it with his grills
He keep telling me to chill
He keep telling me it's real, that he love my sex appeal
He say he don't like 'em boney, he want something he can grab
So I pulled up in the Jag, Mayweather with the jab like

Dun-d-d-dun-dun-d-d-dun-dun
My anaconda don't want none
Unless you've got buns, hun
Oh my gosh, look at her butt
Oh my gosh, look at her butt
Oh my gosh, look at her butt
Look at her butt (look at her butt)

Little in the middle but she got much back
Little in the middle but she got much back
Little in the middle but she got much back
Little in the middle but she got much back

This dude named Michael used to ride motorcycles

Alessia Cara Here Lyrics

what are the lyrics to here by alessia cara

MC

Here are the lyrics to "Here" by Alessia Cara:

I'm sorry if I seem uninterested
Or I'm not listenin' or I'm indifferent
Truly I ain't got no business here
But since my friends are here
I just came to kick it but really
I would rather be at home all by myself not in this room
With people who don't even care about my well-being
I don't dance, don't ask, I don't need a boyfriend
So you can go back, please enjoy your party
I'll be here, somewhere in the corner under clouds of marijuana
With this boy who's hollering I can hardly hear
Over this music I don't listen to and I don't wanna get with you
So tell my friends that I'll be over here
Oh oh oh here oh oh oh here
Oh oh oh I ask myself what am I doing here?
Oh oh oh here oh oh oh here
And I can't wait till we can break up outta here
Excuse me if I seem a little unimpressed with this
An anti-social pessimist but usually I don't mess with this
And I know you mean only the best and
Your intentions aren't to bother me
But honestly I'd rather be
Somewhere with my people we can kick it and just listen
To some music with a message (like we usually do)
And we'll discuss our big dreams
How we plan to take over the planet
So pardon my manners, I hope you'll understand
That I'll be here
Not there in the kitchen with the girl

Write a message...

are doing wrong\nJust about to call up the D.A. man\nWhen I heard this woman singing a
song\n\nA pair of 45's made me open my eyes\nMy temperature started to rise\nShe was a long
cool woman in a black dress\nJust a 5'9 beautiful tall\nWith just one look I was a bad
mess\n'Cause that long cool woman had it all\n\nI saw her heading to the table\nWell a tall
walking big black cat\nWhen Charlie said I hope that you're able boy\nWell I'm telling you
she knows where it's at\nWell then suddenly we heard the siren\nAnd everybody started to
run\nA jumping out of doors and tables\nWell I heard somebody shooting a gun\n\nWell the
D.A. was pumping my left hand\nAnd then she was a-holding my right\nWell I told her don't
get scared\n'Cause you're gonna be spared\nWell I've gotta be forgiving\nIf I wanna spend my
living\nWith a long cool woman in a black dress\n\nJust a 5'9 beautiful tall\nWith just one
